

(b) After the first year, you may repurchase your shares, subject to all other applicable regulatory and supervisory restrictions and paragraph (c) of this section.

(c) All stock repurchases are subject to the following restrictions.

(1) You may not repurchase your shares if the repurchase will reduce your regulatory capital below the amount required for your liquidation account under §192.450. You must comply with the capital distribution requirements at part 163, subpart E of this chapter.

(2) The restrictions on share repurchases apply to a charitable organization under §192.550. You must aggregate purchases of shares by the charitable organization with your repurchases.

§ 192.515 What information must I provide to the appropriate Federal banking agency before I repurchase my shares?

(a) To repurchase stock in the first year following conversion, other than repurchases under §192.510(a)(3) or (a)(4), you must file a written notice with the appropriate OCC licensing office if you are a Federal savings association and with the appropriate FDIC region if you are a state savings association. You must provide the following information:

(1) Your proposed repurchase program;

(2) The effect of the repurchases on your regulatory capital; and

(3) The purpose of the repurchases and, if applicable, an explanation of the extraordinary circumstances necessitating the repurchases.

(b) You must file your notice with the appropriate OCC licensing office if you are a Federal savings association and with the appropriate regional director of the FDIC if you are a state savings association at least ten days before you begin your repurchase program.

(c) You may not repurchase your shares if the appropriate Federal banking agency objects to your repurchase program. The appropriate Federal banking agency will not object to your repurchase program if:

(1) Your repurchase program will not adversely affect your financial condition;

(2) You submit sufficient information to evaluate your proposed repurchases;

(3) You demonstrate extraordinary circumstances and a compelling and valid business purpose for the share repurchases; and

(4) Your repurchase program would not be contrary to other applicable regulations.

§ 192.520 May I declare or pay dividends after I convert?

You may declare or pay a dividend on your shares after you convert if:

(a) The dividend will not reduce your regulatory capital below the amount required for your liquidation account under §192.450;

(b) You comply with all capital requirements under part 167 of this chapter after you declare or pay dividends;

(c) You comply with the capital distribution requirements under part 163, subpart E, of this chapter; and

(d) You do not return any capital, other than ordinary dividends, to purchasers during the term of the business plan submitted with the conversion.

§ 192.525 Who may acquire my shares after I convert?

(a) For three years after you convert, no person may, directly or indirectly, acquire or offer to acquire the beneficial ownership of more than ten percent of any class of your equity securities without the appropriate Federal banking agency's prior written approval. If a person violates this prohibition, you may not permit the person to vote shares in excess of ten percent, and may not count the shares in excess of ten percent in any shareholder vote.

(b) A person acquires beneficial ownership of more than ten percent of a class of shares when he or she holds any combination of your stock or revocable or irrevocable proxies under circumstances that give rise to a conclusive control determination or rebuttable control determination under §§174.4(a) and (b) of this chapter. The appropriate Federal banking agency will presume that a person has acquired shares if the acquiror entered into a binding written agreement for

(c) Notwithstanding the restrictions in this section:

(1) Paragraphs (a) and (b) of this section do not apply to any offer with a view toward public resale made exclusively to you, to the underwriters, or to a selling group acting on your behalf.

(2) Unless the appropriate Federal banking agency objects in writing, any person may offer or announce an offer to acquire up to one percent of any class of shares. In computing the one percent limit, the person must include all of his or her acquisitions of the same class of shares during the prior 12 months.

(3) A corporation whose ownership is, or will be, substantially the same as your ownership may acquire or offer to acquire more than ten percent of your common stock, if it makes the offer or acquisition more than one year after you convert.

(4) One or more of your tax-qualified employee stock benefit plans may acquire your shares, if the plan or plans do not beneficially own more than 25 percent of any class of your shares in the aggregate.

(5) An acquiror does not have to file a separate application to obtain the appropriate Federal banking agency's approval under paragraph (a) of this section, if the acquiror files an application under part 174 of this chapter that specifically addresses the criteria listed under paragraph (d) of this section and you do not oppose the proposed acquisition.

(d) The appropriate Federal banking agency may deny an application under paragraph (a) of this section if the proposed acquisition:

(1) Is contrary to the purposes of this part;

(2) Is manipulative or deceptive;

(3) Subverts the fairness of the conversion;

(4) Is likely to injure you;

(5) Is inconsistent with your plan to meet the credit and lending needs of your proposed market area;

(6) Otherwise violates laws or regulations; or

(7) Does not prudently deploy your conversion proceeds.
